Condre, Inc., introduces the first DVD Dual Format Duplication Standalone Tower Configurations featuring DVD + / - R drive technology from Pioneer. Now users can utilize the functionality and benefits of both DVD + R and DVD - R in one system, and *convert from one to the other*, while enjoying the write speed of 8X for DVD and 24X for CD R. The user friendly interface combined with one button operation allows any novice user to easily duplicate any non secured DVD - R or DVD + R disc, and CD's as well. Multiple cooling fans and a ruggedized enclosure make the Dual Format DVD Tracer Series the most reliable system available today, with 100% Duty Cycle Performance. Now available from Condre, Inc., the Leader in CD and DVD R Duplication and Publishing Technology !!
